
Creative Careers for Post Pandemic Times

Gokul Alex - EPIC Knowledge Society - 2020

We will enter a new normal

**With new cycles of
innovation and inventions**

With connected healthcare

**With convergent
infrastructure**

**With new currents of
globalisation**

**With data cooperatives and
radical markets**

**With a support system for
social entrepreneurship**

**With focus on engineering
and education at scale**

**With new sources of
finance and focus**
